Get Involved This Summer @ the library

Looking for something fun to do this summer? Well, make sure you take a look at all the Shorewood-Troy Library can offer you when the weather turns hot.

We're starting a **Movie Club** that will meet Friday afternoons this summer. We'll be showing your favorite blockbusters, and even some anime. Stop by on June 12th for our kick-off movie, **Twilight**. We'll provide the popcorn and pop.

Need to get a gift for your dad for Father's Day? How about a tie or wallet...made from duct tape! We'll show you how to make some cool and stylish **Duct Tape Crafts** in time for Father's Day. Why not give him something fun that you made yourself!

We'll also be having the last meeting of our **Teen Book**

Discussion Group for the summer on June 18th. Our theme will be graphic novels and manga. Pick your favorite, and tell us about it. Then for our Movie club meeting on Friday, we'll have a **Make Sushi / Watch Anime** party. You can make-your-own sushi and watch a couple of episodes from some popular anime shows based on manga series. Scared of eating raw fish? Don't worry! **We'll be making our sushi out of candy and peanut butter and jelly.**

And when it really starts getting hot, cool down at our **Book Vote / Ice Cream Social**. You have unique tastes! Be opinionated and stop by to vote for your all time favorite book. Then, follow your taste buds and build your own ice cream sundae.

Are you the creative type? We'll also be showing you how

to **Make Your Own Book-Safe**. Convert an old used book into the perfect hiding place, and make sure your personal stuff is kept secret! Or, why not stop by for **Hemp Crafts**? Learn how to make and decorate jewelry to match your personality.

And for our last Movie Club, we'll have a **Draw Manga / Watch Anime** party. We'll be showing an anime film, and for those who like to draw, we'll have tables and materials out so you can practice. Not artistic? Feel free to just veg out and enjoy the movie.

Finally, we're going to wrap things up with a fun **Spa Day**. Make your own bath salts, get free samples from Mary Kay, and enjoy a relaxing massage.

You can register for any of these activities online at:
www.shorewood.lib.il.us

Or feel free to just stop by and enjoy the summer with us!

Spend Time Reading!

What about the summer reading program itself? It's Easy!

First: Sign up for the Summer reading program at our kick off party on **June 9th**, or any time June 8th-27th at the Circulation or Reference desks, and you'll get a prize.

Second: READ! The more you read, the better your chances are to win one of our great

raffle prizes. Books, Graphic Novels, and Audio-books all count!

Third: Fill out your reading journal with the book title and author, and turn it in one of the desks. Each completed book gets your name entered into a drawing for prizes. Plus, if you read 5 books, you'll get a bonus 6th raffle entry.

This year's prizes:

iPod Nano!
Nintendo DSi!
Portable DVD player!

And remember, the more you read, the better your chances!
