

## NEW MEMBERSHIP APPLICATION

The Purpose of the Shorewood Area Chamber of Commerce is to foster the growth, development and success of Shorewood area businesses through on-going programs which educate, encourage and strengthen Chamber members; and to represent the members within the business community and the community at large.

Member benefits include your business profiled on the SACC Website, Chamber After Hours, SACC NewsWire newsletter, newspaper coverage in the Shorewood Sentinel of your business news and milestones, Ribbon Cutting ceremonies, luncheon meetings, Business Expo and more. The community will recognize your involvement in the SACC with a certificate of appreciation that you can proudly display.

The Investment Schedule shown on this application was formulated by an evaluation committee representing various business classifications. Schedules in use by other effective chambers our size throughout the surrounding area were used as a guide. The Investment Schedule is to be used on a self-assessment basis.
